The LUSSO Collection

The LUSSO Collection offers two levels of membership. A \$425,000 deposit (and \$28,000 annual dues) secures an unlimited number of travel days, while a recently unveiled 21-day plan goes for \$325,000 and has annual dues of \$21,000. The LUSSO Collection currently includes some 30 properties in 16 North American locations, with several more in development. A smaller destination club, LUSSO strives to provide amenities that other clubs miss, such as airport pickups, beach toys for kids, walkie talkies for skiers and a Lincoln Navigator in the garage of most homes.
