LUSO COLLECTION ACQUIRES NEW PROPERTIES IN ANGUILLA, CABO SAN LUCAS AND NAPLES

*Luxury Travel Destination Club Provides Members Access to
30 Multi-Million Dollar Residences Throughout the World*

EDEN PRAIRIE, MINN. (June 18, 2008) – The LUSO Collection, an exclusive boutique travel destination club providing members unlimited access to a collection of multi-million dollar residences in the world's most sought-after vacation destinations, has acquired new properties in Cabo San Lucas, Mexico; Anguilla in the Caribbean; and Naples, Fla.

"We are excited about the addition of properties in Cabo San Lucas and Naples, as well as our new residence in Anguilla, because all of these locations are extremely popular with our members and each offers amazing opportunities to experience a truly luxurious getaway," said Steve Greer, founder and CEO of The LUSO Collection. "From the breathtaking views to the amazing floor plans in each residence, every setting is one-of-a-kind."

Anguilla

Anguilla, often referred to as "tranquility wrapped in blue," is part of the British West Indies in the East Caribbean. The LUSO Collection has acquired two oceanfront villas that overlook stunning views of turquoise waters that face the mountains of St. Martin.

Indigo Cove sits on the water's edge of Anguilla's South Shore. It is a 4,800 square-foot residence featuring six bedrooms and six bathrooms, and an open floor plan for gathering with a spacious great room and kitchen that blend the outdoors to the dining room, terrace and pool. Outdoor living space is outfitted with a tropical pavilion and lounging areas that surround a private pool.

Sandpiper is nestled in the rolling landscape of Anguilla's South Shore in Little Harbour to form a private enclave in an oceanfront setting. The 3,700 square-foot villa features four bedrooms, each with its own bathroom, and an open floor plan that seamlessly blends the indoors with the outdoors.

The homes feature classic Caribbean architecture and elegant indoor spaces that feature a rich mix of wood and stone.

Cabo San Lucas

The LUSSO Collection also has added a third property in Cabo San Lucas, Mexico. Casa Bellena is located in the oceanfront community of Punta Ballena, just three miles east of Cabo San Lucas where Mexico's Baja peninsula reaches its endpoint.

The 5,000 square-foot residence features four bedroom suites, domed ceilings, marble floors and captivating ocean views. The main living areas can be opened to expand to the outdoor living area where a large terrace, outdoor kitchen and infinity-edge pool with Jacuzzi and a swim-up bar complete the tropical paradise.

Naples

The LUSSO Collection has added a third residence in Naples, Fla. Villa del Lago overlooks a lake and is surrounded by lush tropical greenery. The 4,750 square-foot home features main living areas of a dining room, parlour, great room and kitchen that flow together for an expansive yet welcoming setting to entertain family and friends. Its four bedroom suites, media room, study and workout room also provide private retreats. The property is located just steps from the Fifth Avenue South shopping area and a short stroll from the warm tropical waters of the Gulf of Mexico.

The LUSSO Collection recently added its 30th home in one of 16 destination locations and now has more than 145 members. The company has an aggressive growth plan that includes having a portfolio of 39 homes in 21 destinations, including Europe, by year-end.
